

# Shepherds Theological Seminary

## Evening Course Schedule

The following is the planned course schedule for the next two years in the evenings. Students at our Teaching Sites can finish the MTS program in 3.5 years by attending only once a week (two classes each evening). Students who desire a faster pace may take classes during the day or in our summer and winter class schedules.

| COURSE | TITLE                                          | Timing      |
|--------|------------------------------------------------|-------------|

| ** *** | Bible Exposition Elective                      |             |

- Classes above or below the dotted line are offered on the same night
- All courses will be repeated every other year (e.g., Fall 2025, Fall 2027, Fall 2029, etc.)
- Courses not offered in the evening on a year (e.g., Fall 2026), are offered during the day that semester
- Courses are also offered in winter/summer modules
